Marilyn,
I really have had a ball in typing class. It really has been a lot of fun knowing you. Keep up all the talking you do and stay as sweet as you are. Mabe next year we will have some classes together (Even though I will be a senior and you will only be a Junior) Have a lot of fun this summer and dont get into any trouble. Remember me in your will too, O.K.? Good luck next year and in all of your future years. Stay cool and be good.

See you next year,

Marilyn-
It's been fun having you in the club this year. I will see you during the summer. Good luck next year.
Love,
Sue Clements

Marilyn - Thank you for trying out for our club, I'm sure glad we got to be friends. We will have to get together during the summer - like go to the beach. Have fun no matter how cloudy the sky is. Remember all you have to do is keep on smiling. Then your troubles just seem to go away. Be good but have fun! Call me when ever you want to have some wild fun.
Love
Mary

Because the class pictures were taken last year before the 1969 Annual Staff was chosen, we have run into great difficulty locating many of the photographs. We deeply regret therefore, that many of the pictures were not available for this year's annual.

Idea Staff

IDEA, the school magazine, is what its name implies: a composite of creative ideas from the student body. In the past it has contained only poetry and short stories. This year, artwork and more poems and writings were added, expanding the magazine from the usual four pages into quite a few. It encouraged a larger number of people to submit things and made IDEA even more enjoyable than it has been.

FEAST OF LIGHTS

The Feast of Lights is an annual evening concert given in celebration of the holiday season. All choral groups in school participate, with A Capella performing the actual Feast of Lights, a procession into the darkness in which each choir member carries a small light signifying a candle.

Chamber Choir

This year Chamber Choir decided to change and go pop. The traditional formal attire was traded in for navy blue jumpers and red ties for the girls, and white pants and navy blue sweaters for the guys. The music changed too. Bach and Mozart became Bacharach and Baez. They sang things like the "Happiness Song" from "You're a Good Man Charlie Brown" and "Goin' Out of My Head".

Swan Song

According to Webster's a swan song is a poetic, musical, or artistic work composed shortly before the death of the author. There have been many times while rushing around to meet deadlines that I felt the end was near. Seriously though, for all the headaches and worry, I wouldn't trade this experience for anything. Being Editor has given me the opportunity to meet a lot of new people and experience many new things. Just saying "thank you" to all the great kids on staff and my advisors, hardly seems adequate, because without them the book would never have been finished.

Well, this has hardly been poetic or artistic, but for me it is the end of a very important part of my life.

Thank you all for making it so memorable.
